Quality, Occupational Health & Safety Policy

The basic orientation of EJABI InfoSec Company is to be recognized for quality in information security and compliance services. EJABI InfoSec Company is committed to the continual improvement of the Integrated Management System (QHSMs), according to legal and other requirements, by providing healthy working conditions, consultation and participation of workers and their representatives.

Our aim:

- Provide and ensure high quality of services, safe and healthy conditions for our employees, contractors and visitors.
- We aim to continually improve our services for minimizing: accidents, harm to people, and damage to the environment.
- In order to achieve this, we strive to continuously improve our performance in quality, health, safety management system.

This will be achieved through:

- Consideration of context of the organization and aligning the Integrated Management System with the strategic direction of EJABI InfoSec Company
- Satisfying customer and applicable statutory and regulatory requirements
- Management of organization, along with employee-established quality, OH&S objectives and defined responsibilities for their fulfillment
- Continual enhancement of customers' satisfaction
- Tracking and applying new technologies and educating employees
- Careful selection of suppliers
- Making continuous improvement a part of every day and every job
- Understanding how our jobs fit into the overall flow of work at EJABI InfoSec Company
- Following the principles and meeting requirements of ISO 9001:2015 and 45001:2018
- Continual education to prevent injuries and impairment of health and improve the IMS effectiveness
- Continual education for safe work on all workplaces in EJABI InfoSec Company
- Exploration of new materials and equipment to decrease work place risk level
- Enabling a feeling of safety for employees, subcontractors, and visitors, considering the nature of work and real hazards that exist at every work place

The framework for setting Quality OH&S objectives is defined in the QHSMS Manual.

QHS Coordinator is responsible for communicating the Quality, Health & Safety Policy to all persons working for or on behalf of the organization and making it available to the public.
